Imola

Imola is a hard-wearing flat weave with a soft fleece backing. The surface has a casual, "washed-out" look. With 50,000 shearing cycles, Imola has very good usage properties, which are emphasised by its good abrasion resistance and very good light fastness.

Category C

100 % polyester

Abrasion cycles: 50,000

Light resistance: 5

Pilling information: 4

Dry clean (P)

Ironing level 1
